

ABOUT CSC AT PITT

Mission: The **Computer Science Club (CSC)** at the **University of Pittsburgh** strives to connect and grow the University's computer science community by providing our members with the opportunities, resources, and support systems they need to achieve their goals. Our diverse network includes students and alumni from every background, demographic, and skill set.

Vision: As the largest organization at Pitt, CSC is the premier platform for connecting, strengthening, and representing the University's computer science community. We strive to offer a fresh perspective, elevate student voices, and advocate for the needs of our members—both on campus and beyond.

EVENTS AND INITIATIVES

CSC at Pitt offers a variety of annual programs and initiatives open to corporate partnerships, including:

SteelHacks: Pitt's largest annual hackathon with **800+ participants** and **20+ sponsors and partners**. SteelHacks offers companies direct access to top tech talent, brand exposure, and opportunities for real-time product engagement.

Zero to Offer: Our internship prep program features workshops and talks led by officers, alumni, and companies. It has helped students land roles at **Meta, Google, Amazon, Microsoft, Coinbase, Roblox, PNC, BNY Mellon, Eaton**, and more—making it a proven early talent pipeline.

Offer++: A career prep program for upperclassmen looking to land their next big internship or offer. Through targeted workshops and speaker events, Offer++ helps students take the next step in their career journey.

CSC at Pitt Tech Consulting Team: Building a pipeline of student tech consultants who work on real-world projects for **Fortune 500 companies**, bridging technical skills with business strategy.
